

PACIFIC SEAFOOD PROCESSORS ASSOCIATION

*Est. 1914*

# 2017-2018

## Membership Directory

Serving our members for over 100 years

# Welcome to the PSPA's Membership Directory!

## About the Association

PSPA is a nonprofit seafood industry trade association, founded in 1914 to address the issues and concerns of our member seafood companies. We support the conservation and wise use of our fishery resources and work to foster a better public understanding of the seafood industry.

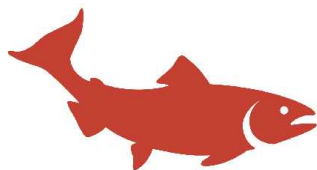

## About Our Corporate Members

Members of the Pacific Seafood Processors Association (PSPA) produce food for the world from the wildest, healthiest and most sustainable resource in Alaska: Seafood.

Our members buy seafood from fishermen in waters off Alaska and are comprised of both at-sea and shorebased operations in 18 Alaska communities. They are proud to be among the world's leading producers of high quality seafood and have been at the forefront of supporting management systems based on sound science and sustainability principles.

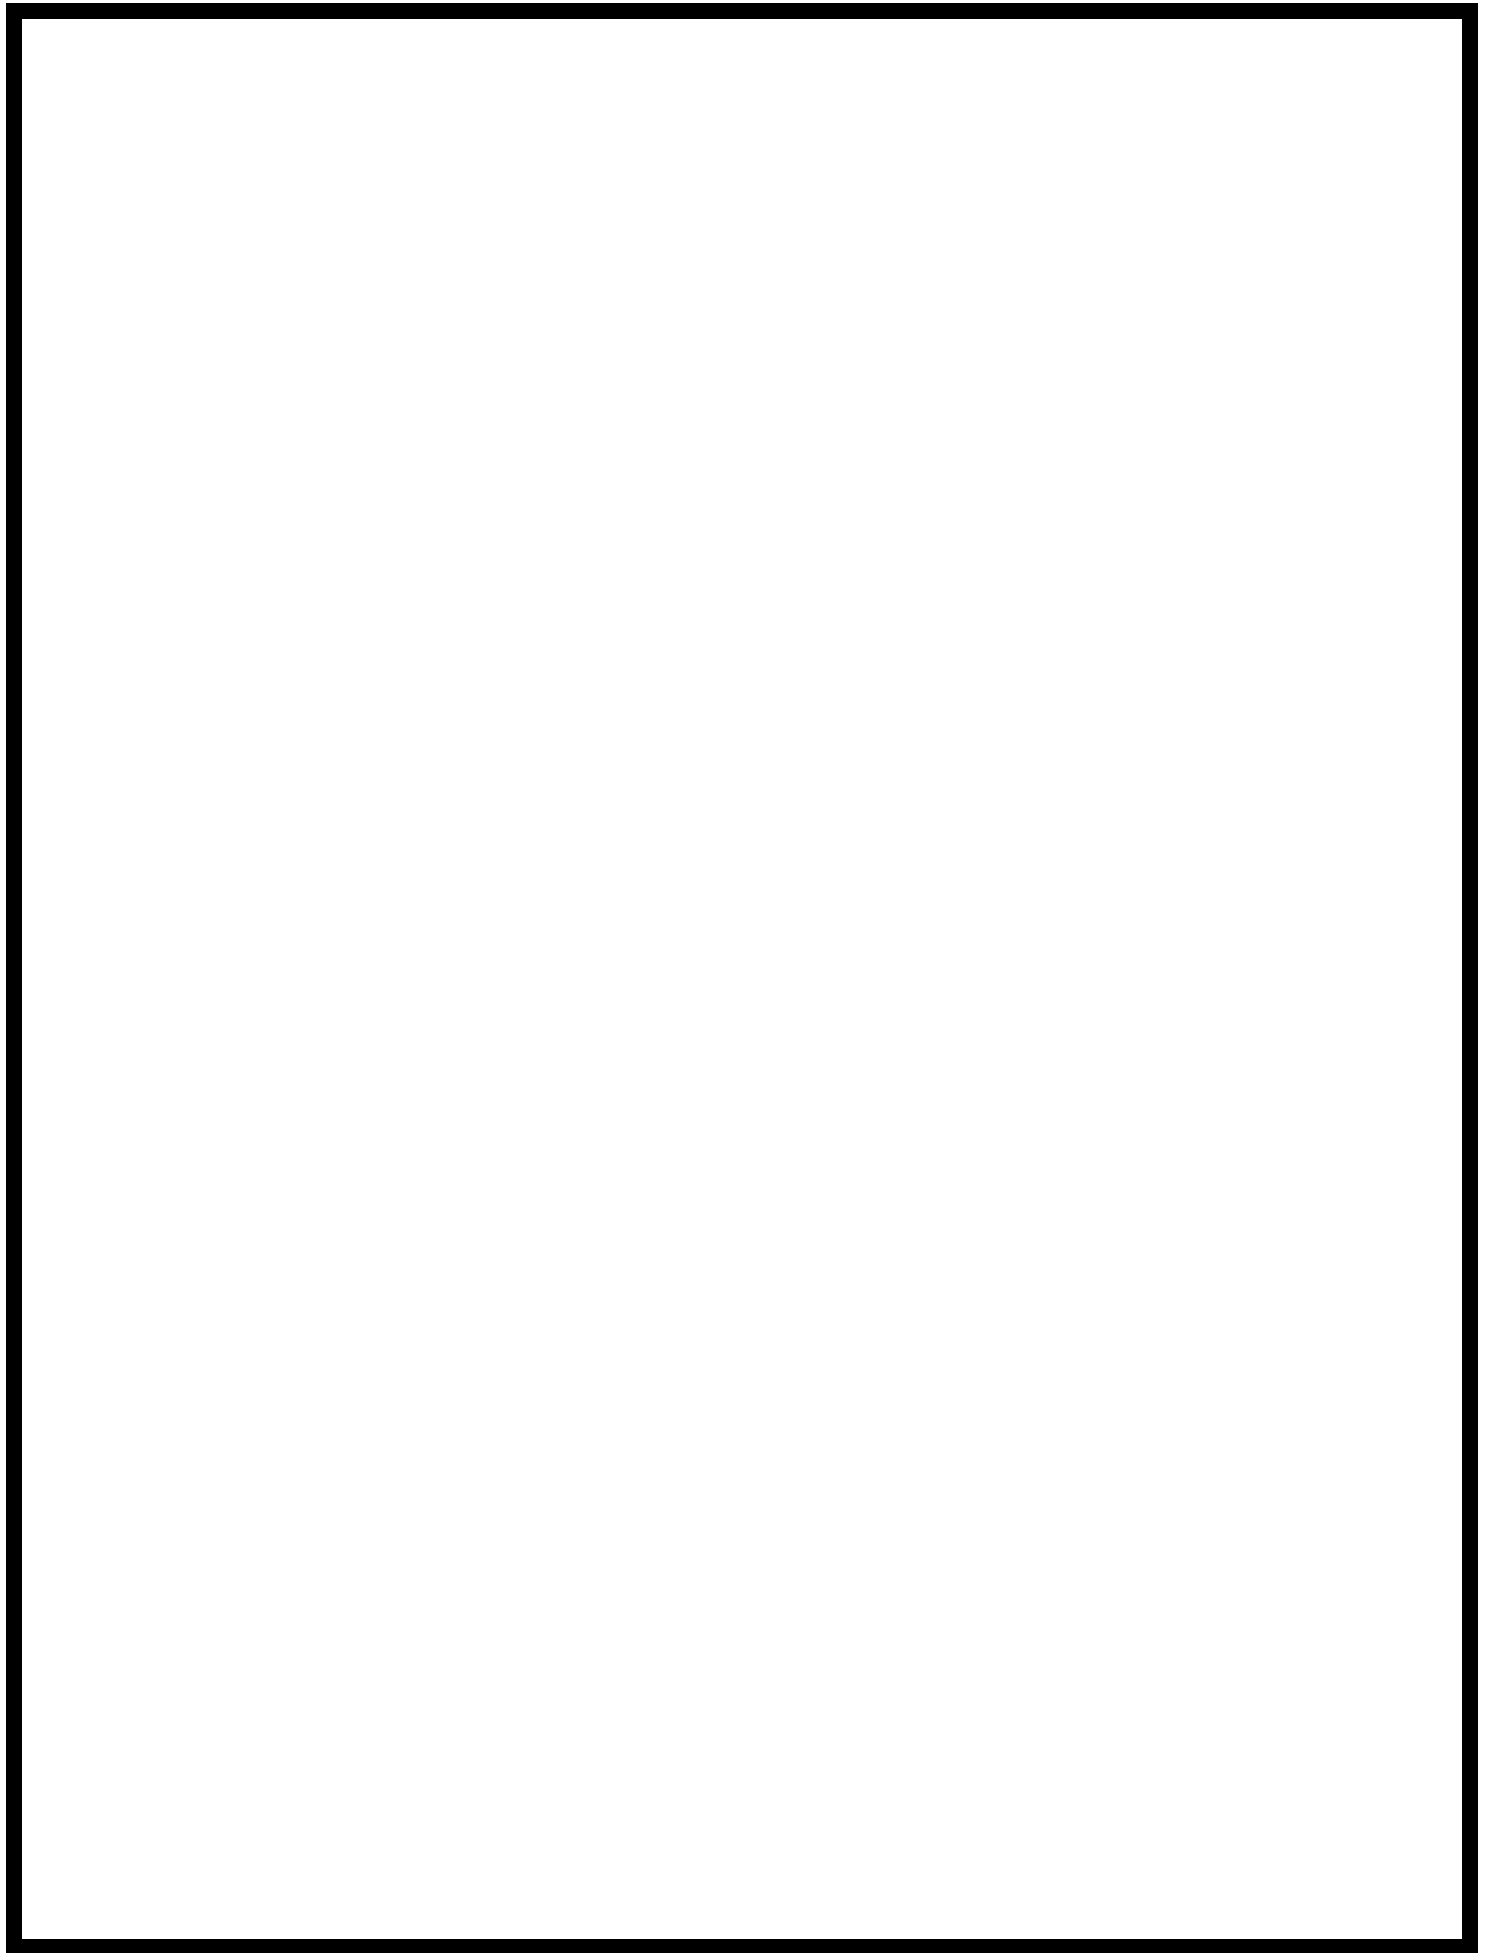

From Ketchikan to Togiak, our member companies purchase, process, and market hundreds of millions of pounds of salmon, pollock, crab, cod, halibut, and other species every year. They have invested hundreds of millions of dollars in communities and facilities across Alaska and provide thousands of jobs in the process. They are committed to continuing their vital role in the Alaska economy and the economies of our coastal communities.

PSPA is proud to represent our member companies and support them in fulfilling these important commitments.

Eat More Fish

## Corporate Members Meet in Juneau

PSPA holds a Board & Staff meeting in Juneau each year during the Alaska legislative session. This allows our Corporate Members the opportunity to interact with State of Alaska officials, and provides opportunities for Alaska's leaders to learn more about how PSPA and its members are involved in Alaska's seafood industry.

## Fall Social

In the fall each year, the PSPA Board & Staff host an evening gathering for our valued Associate Members. The event provides a casual atmosphere for meeting old friends and making new ones. Early in the evening we offer a summary on a current topic of interest.

PSPA Membership Directories are distributed during this event.

Lastly, you won't want to miss our door prizes.

## MSC Alaska Salmon Client Group

PSPA is proud to be the administrator for the MSC Alaska Salmon Client Group. The MSC Alaska Salmon Client Group includes 37 member companies and fisheries from Southeast Alaska to the Alaska Peninsula and Bristol Bay. The MSC Alaska Salmon Client Group is committed to providing customers with salmon from sustainable, certified sources and continues to grow as the markets for sustainable seafood grow.

*Please visit our website at [www.pspafish.net](http://www.pspafish.net) for specific dates of meetings and events.  
You may also call us at (206) 281-1667 or e-mail us at [admin@pspafish.net](mailto:admin@pspafish.net).*

## Contacting the Association

PSPA maintains offices in four cities. The head office is in Seattle, with other offices in McLean, VA, Anchorage, AK and Juneau, AK. The following staff members are employed by the association on behalf of its members:

### Washington, DC

Kris Lynch  
**Vice President**  
[kristinel@pspafish.net](mailto:kristinel@pspafish.net)  
20 F St NW, 7<sup>th</sup> Floor  
Washington, DC  
202.431.7220 (c)  
202.507.6101 (f)

### Anchorage, AK

Nicole Kimball  
**Vice President**  
[nicolek@pspafish.net](mailto:nicolek@pspafish.net)  
601 W 5<sup>th</sup> Avenue, Floor 2  
Anchorage, AK  
907.223.1648 (c)

### Juneau, AK

222 Seward Street  
Suite 200  
Juneau, AK 99801  
907.586.6366 (o)  
907.586.4618 (f)

### Head Office Seattle, WA

Glenn Reed  
**President**  
[glennr@pspafish.net](mailto:glennr@pspafish.net)

Ann Owens  
**Office Manager**  
[admin@pspafish.net](mailto:admin@pspafish.net)

1900 West Emerson Place, Suite 205  
Seattle, WA 98119  
Phone: 206.281.1667  
Fax: 206.283.2387

Email: [admin@pspafish.net](mailto:admin@pspafish.net)

AGS is a socially responsible seafood processing company that purchases fresh seafood from independent fishermen, who responsibly harvest their wild catch from sustainable fisheries from the cold pristine waters of Alaska. AGS produces canned, fresh and frozen seafood and sells to wholesale customers around the world. Our seafood products are manufactured in processing facilities which are certified at the highest levels, by both state and federal regulators and independent food inspection agencies, ensuring our seafood products are wholesome and of high quality.

AGS's headquarters are located in Kenmore, Washington. The company has a total of three locations in Alaska: two processing plants (one in Naknek and the second in Ketchikan, Alaska) and a Fish Camp in Egegik, Alaska. The Naknek processing plant and Egegik fish camp are both located in Bristol Bay, home of the world's largest wild sockeye salmon fishery. Thirty to fifty percent of the world's supply of wild sockeye salmon comes from Bristol Bay. The sockeye fishery usually runs from mid-June to late July. Our Ketchikan, Alaska plant is located in Southeast Alaska (or the Panhandle) and is open from late June until the end of August. SE Alaska is known for its abundance of pink and chum salmon.

AGS employ's a diverse workforce and takes pride in providing a safe and healthy workplace for our employees. Alaska Business Monthly Magazine listed AGS as one of the top 100 employers in Alaska.

At AGS, we support local and regional charitable organizations by providing financial support as well as donating seafood products.

## Golden Alaska Seafoods, LLC

2200 Alaskan Way, Suite 42  
Seattle, WA 98121-1820  
Phone: 206.441.1990  
Fax: 206.441.8112  
Website: [www.goldenalaska.com](http://www.goldenalaska.com)

Golden Alaska Seafoods, LLC is a world leader in the production of high quality white fish products and frozen seafood, internationally recognized for quality, consistency and value.

Based in Seattle Washington, Golden Alaska is unique in that all of the owners are fishermen or processors. This combination ensures that everyone involved is dedicated to conservation and quality products.

In the Bering Sea, along the Aleutian Chain, and in the North Pacific Ocean, the M/V Golden Alaska operates under the mothership concept and is supplied with fish by six catcher boats. Our vessel produces Fillet Blocks, H&G, Mince, Surimi, Pollock Roe and Fishmeal. All products are frozen at sea and off-loaded into freezer containers in port (usually Dutch Harbor, Alaska or Seattle, Washington).

As one of the most sophisticated processing platforms in the modern seafood industry, the M/V Golden Alaska is guided by a crew of top professionals representing a pool of collective experience and talent that no competitor can match. It's this special blend of equipment and skill that has made Golden Alaska, LLC one of the most efficient fish processors in the industry.

## **Peter Pan Seafoods, Inc.**

3015 112<sup>th</sup> Ave NE, Suite 100  
Bellevue, WA 98004-8001  
Phone: 206.728.6000  
Fax: 206.441.9090  
Website: [www.ppsf.com](http://www.ppsf.com)

Peter Pan Seafoods, Inc. stands today as one of the leading Alaskan seafood producers, working its way up from our unexpected beginnings in 1914 - that year saw the introduction of a canned salmon brand, Double Q [tm].

It was wild Alaskan salmon taken by an antique fish trap method and "marketed" for the princely sum of 9 cents per can. From that point, Peter Pan's Double Q brand canned salmon went on to become one of today's retail market leaders in canned salmon. Perhaps it was because the "Double Q" stood for quality and quantity, two ideas which Peter Pan has never let go.

Peter Pan Seafoods remains one of the dominant players catching, harvesting, processing, and marketing of Salmon, Halibut, Pollock, Cod, and Crab from the pristine waters of Alaska. From 9 cents per can to multi-millions in annual sales, Peter Pan has charted a course straight to a marketing leadership in the United States as well as in Asia and Europe.

## Phoenix Processor Limited Partnership

333 First Avenue West,  
Seattle, WA 98119  
Phone: 206.286.8584  
Fax: 206.286.8810

Phoenix Processor Limited Partnership owns and operates two processing ships that produce high quality whitefish products destined for global markets. The mothership processors *SS Ocean Phoenix* and *MV Excellence* buy fish from fishermen that harvest in sustainable fisheries in waters off the US west coast and off the State of Alaska. Whitefish products made by Phoenix Processor Limited Partnership include both Pacific whiting (hake) and Alaska pollock products, including surimi, H&G block, mince, pollock roe, fish meal, and fish oil.

Phoenix Processor Limited Partnership has operated for more than 25 years in the Alaska pollock and Pacific whiting fisheries. Phoenix Processor Limited Partnership is proud to be among the world's leading producers of high quality seafood through its longstanding commitment to quality and its support for fishery management systems based on sound science and sustainability principles.

Fax: 206.782.7195

Website: [www.tridentseafoods.com](http://www.tridentseafoods.com)

At Trident Seafoods, catching fish isn't just our business. It's our livelihood. It's our calling. Catching the purest and healthiest seafood is what we've done for more than 40 years. Trident operates a fleet of modern offshore vessels and more than a dozen shore-based processing plants in coastal communities throughout Alaska. With secondary processing facilities and sales offices around the globe, Trident has grown from a single vessel in 1973 to the largest vertically integrated seafood harvesting and processing company in North America.

Trident specializes in wild Alaska seafood, offering volume and selection of wild-caught Alaska salmon, shellfish, and groundfish. We partner with thousands of independent and dedicated fishermen fishing in nearly every fishery and with every gear type in waters off Alaska. Beyond the many species harvested by U.S. vessels in the North Pacific, Trident also provides customers a variety of seafood products sourced from fisheries worldwide.

## **UniSea, Inc.**

15400 N. E. 90<sup>th</sup> Street,  
Redmond, WA 98073-7019  
Phone: 425.881.8181  
Fax: 425.861.5390  
Website: [www.unisea.com](http://www.unisea.com)

More than 40 years ago, UniSea started in historic Dutch Harbor, Alaska. We are still here, but our original processing barge has been replaced by one of Alaska's most sophisticated multi-species shore-plants. We now process King and Tanner crab, Alaskan Pollock, Pacific Cod, Black Cod, Halibut and a variety of other species.

The success of our Dutch Harbor processing operations created a need for a cold storage facility in the Seattle area, which was built in Redmond, WA. UniSea's Redmond cold storage facility also handles custom and value-added processing. Our corporate headquarters are also located at the Redmond campus.

Every day, millions of people sit down to a meal that includes wild seafood products produced by UniSea. Our fleets harvest fish from the deep, pristine waters of the Bering Sea and deliver them to our advanced plant in historic Dutch Harbor, where we produce some of the world's best sustainable seafood products.

Westward Seafoods was established in 1989 and started operations in 1991. In 2004, Western Alaska Fisheries merged with Westward Seafoods to form what is now known as Westward Seafoods Inc.

With our main production plant in Dutch Harbor, focusing on Alaskan Pollock - Westward Seafoods has the ability to source more Alaskan fish and shellfish from the Bering Sea to the Gulf of Alaska, in order to better meet the demands of the world-wide growing market for quality sustainable seafood.

Today, Westward Seafoods continues to be a leader in Alaska's seafood industry. The future is bright for Westward Seafoods as natural and healthy seafood nutrition becomes more important to consumers. Sustainability has a good future!

## corporate travel management

### **Corporate Travel Management (formerly USTravel)**

*PSPA Associate member since: 2009*

Corporate Travel Management's (CTM) specialized team of dedicated marine and fisheries experts tout the ability to mobilize quickly and adjust for the unpredictable. We understand the unique demands of the fishing industry and provide the high-touch service required to ensure safe and reliable rotational crew movements. Our employees live and work in the very fishing communities we serve. CTM travel professionals offer our one of a kind 7-7-7 service (7am-7pm, 7 days a week) and 24/7 during peak rotations and emergencies.

Always seeking process improvement for our clients, CTM has developed proprietary software, Group Tracker, to streamline the roster management process. It keeps track of multiple group bookings and allows the user to track names, due dates, and budgets by activity in one portal.

#### **Specialized Services Include:**

- ) Group airport meet & greet assistance in Seattle and Anchorage
- ) Daily arrival/departure traveler report and no show alerts
- ) Fisheries experts on-call 24/7 during peak season
- ) Up-to-the-minute flight, weather and carrier updates
- ) Group Tracker Dashboard to view all crew move travel details in a snapshot
- ) Charter negotiations, block space and seat inventory management
- ) Lodging and catering coordination in Seattle, Anchorage and Dutch Harbor
- ) Contract negotiations for air, hotel and ground transportation
- ) Customized reporting and unused ticket tracking
- ) 24 hour emergency service, contingency planning and crisis management
- ) Offices to serve you in Anchorage, Dutch Harbor, and Seattle.
